Co-funded by
the European Union

The **D-LIGHT Network** is a partnership between SOSU Nord (Denmark), Tallinn Health Care College (Estonia), Yrkesinstituttet Prakticum (Finland), ROC da Vinci College (the Netherlands), and Calasanz Santurtzi S.L. (Spain/Euskadi). Together, we identify innovative digital learning solutions to shared European challenges in preparing for tomorrow's Care and Rehabilitation Services for Senior Citizens.

The D-LIGHT Network is co-funded by the European Commission ERASMUS+ KA2 Programme

Come and join us with your team of up to 3 persons when we explore new ideas for skills that will be needed to ensure a shared European holistic senior citizen care & rehabilitation approach for the future.

Based on the Positive Health model (see

Programme

- | | | |
|-------|---|--------------------|
| 10:00 | Welcome & Introduction to the Positive Health Model | Euro-Linked |
| 10:30 | Group set-up and facilitated Idea development process | Local |

Local sessions will be in <language>

Euro-Linked sessions will be in English, with translation support

Come. Build. Share. Get inspired.

Confirm your team's Workshop participation by phone or e-mail to <Partner's contact person> before November 17

Guidelines for Providing Feedback to Ideas Presented in Padlet

During **Session 2: Idea Generation Workshop**
(under Step 2: BUILD -> Vision of Positive Health)

Individually for each participant: Click on the heart symbol to give a HEART to the one Positive Health component (out of 6) that you think is most important/urgent to develop more in order to support Positive Health for your chosen persona in the future. Make your choice with YOUR experience from YOUR healthcare system.

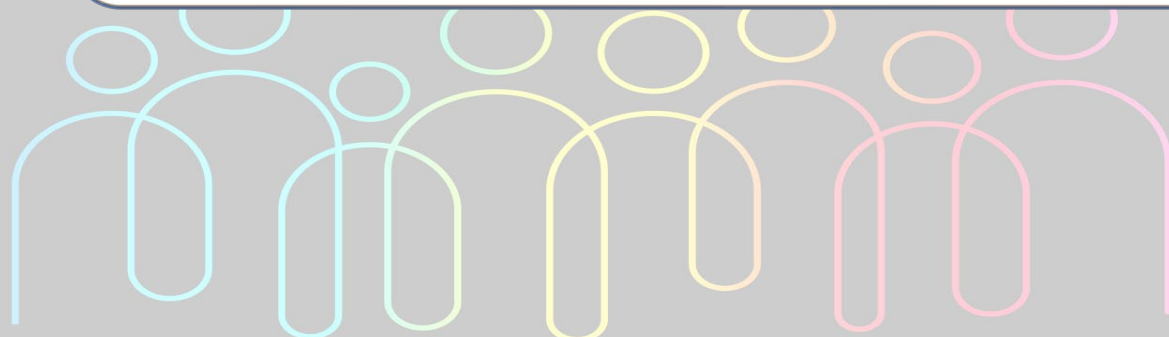

During **Session 3: Share & Get Inspired**, every time a group presents an idea, you may go the relevant Padlet and

Give the idea 1-5 STARS, depending on how much you like the idea and believe that it would provide new support to Positive Health Focus in YOUR healthcare system. 5 stars = like the idea a lot. Click on the star symbol under each idea box to award your STARS.

Add a constructive COMMENT to the idea to share with everyone YOUR views on how to make this idea even better or more realistic to turn into reality. No criticism, please 😊 click on the SPEECH BUBBLE under each idea box to add a comment.

DIPLOMA

This is to certify that

as a representative of

has attended, on November 24th, 2022,
the E2 Regional Multiplier Event in Aalborg, Denmark:

“Building Positive Health Focus in Tomorrow’s Senior Citizen Support”

hosted by SOSU Nord on behalf of the
ERASMUS+ KA2 D-LIGHT Network partnership

- and contributed to the exploration and sharing of new ideas for skills supporting a shared European holistic senior citizen care & rehabilitation approach for the future.

Based on models developed by the Institute for Positive Health and the D-LIGHT O1 Project Result Methodology, ideas have been developed in regional groups and shared between all five participant countries’ parallel events through joint Euro-linked inspiration sessions.

The D-LIGHT Network is a partnership between SOSU Nord (Denmark), Tallinn Health Care College (Estonia), Yrkesinstituttet Prakticum (Finland), ROC da Vinci College (the Netherlands), and Calasanz Santurtzi S.L. (Spain/Euskadi). Together, we identify innovative digital learning solutions to shared European challenges in preparing for tomorrow’s Care and Rehabilitation Services for Senior Citizens.
